RECORDED WEBINAR: International Classification of Goods and Services

Have you missed the webinar on **International Classification of Goods and Services**, delivered by Thom CLARK from ICLAD on 14 May 2019?

Don't lose heart, you have a second chance. The webinar is now available as the e-learning in the [Academy Learning Portal](#). This course will take you through the basics of the Nice Classification, show Office tools to help you choose correct terms, how to avoid deficiencies, and help you understand how to create a list of goods and services for your applications.

Moreover, you will receive a certificate after successful completion. Don't think twice and [enrol](#) now!

TIPS & TRICKS

Make the most of Academy learning resources

Sign up to receive alerts on recommended courses based on your selection of learning topics in your User account

1 Click on **Preferences** in the user menu.

2 Click on **Training Preferences** in the preferences list.

3 Click on the search dropdown in the **Selected preferences** section.

4 Select a topic from the dropdown menu.

Any issues? Contact us at: Academy@euipe.europa.eu.

Many thanks to all the speakers who kindly contribute to the delivery of Academy activities.
